

## Tiger of Sweden Fabric Supplier list

Updated: 18.12.2020

At Tiger of Sweden, we believe that the customer has the right to know how and where their clothes are made. The global textile industry is complicated and sometimes hard to grasp, which is why we want to focus our efforts to improve our transparency and traceability. We believe in increasing the transparency in our business and therefore we share below our list of our nominated fabric suppliers.

This list will be updated 2 times per year and include all nominated fabric suppliers we have placed orders with for the last 6 months. Since we value our suppliers cooperation in this procedure, we are working on receiving approvals from all suppliers and are until now able to include 52,1 % of our suppliers in below list.
